

2019

Season's Greetings Everyone!

As we approach the end of the year, we'd like to thank you for your support and give you a brief update on how the past year went at **The Neighborhood Table (TNT)**.

- By the end of this year, we will have served more than 14,500 meals, bringing the total since inception in 2003 to more than 285,800 meals.
- We collaborated with other local agencies to support the mobile food pantries in the community, mainly through the efforts of our numerous volunteers and our location. This year, we helped serve more than 2,300 people with food and collectively over the past five years, served about 20,200 people with food.
- And, like anywhere else, we continue to see increases in food and program costs to maintain our operations. And this is where we need your help.

If you have room in your year-end budget to permit a donation now to TNT, it would sincerely be appreciated. Donations can be made here by going to: <http://www.theneighborhoodtable.org/how-you-can-help/donate/>, or click the Donate button on our Facebook page:

Thank you for your support, and blessings to you for a very Merry Christmas and a Happy New Year!
