

Did you know?

May 2020

The CARES Act that was recently passed to help Americans during the COVID-19 outbreak now allows taxpayers to deduct up to **\$300** of their cash donations to qualifying organizations without itemizing deductions. The deduction reduces taxable income after the donor's adjusted gross income (AGI) has been calculated.

So this year is a great time to consider making a cash donation to qualified 501(c)(3) organizations like Feeding Our Communities with United Services (FOCUS) to take advantage of the tax deduction while helping worthy local nonprofit organizations. FOCUS is the newly merged organization bringing the South Wood Emerging Pantry Shelf food pantry, The Neighborhood Table free community meal program and the Rapids Family Backpack program into one organization to deal with local food insecurity issues as a united group. Please consider donating now!! Thank you for your consideration during these uncertain times.
